About this insurance

This is an important document. You should read it carefully before making a decision to purchase this insurance. It will help You to:

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

Understanding Your Policy and its important terms and conditions

To properly understand the significant features, benefits and risks of this insurance You need to carefully read:

- about each of the available types of cover and benefits in the relevant Policy Section (the standard cover provided under each Policy Section can be affected by the following);
- the rest of this “Introduction” section – this sets out how You apply for cover, the basis on which We insure You, the Duty of Disclosure You need to meet before We insure You, Our privacy information, Our dispute resolution procedures and other important information;
- the “General definitions” section – this sets out what We mean by certain words used in the Policy. These words begin with a capital letter throughout this document. Each coverage section may also contain definitions relevant to that section;
- the “General exclusions applicable to all Sections of this Policy” section – this sets out the general exclusions and limits that apply to all covers and benefits;
- the “Claims procedure and conditions” and “General conditions applicable to all Sections of this Policy” section – this sets out certain general rights and obligations that You and We have;
- all of the documents that make up the Policy, including the Policy Schedule and any Endorsements or other written changes to the cover We issue You with –these contain specific details relevant to You and can affect the cover.

Headings are provided for reference only and do not form part of Your Policy for interpretation purposes.

Applying for cover

When You apply by completing Our application process You need to provide the information We require to determine whether to issue a Policy and if so, on what terms, including (to the extent they are optional):

- the covers and benefits You want (including the property You wish to cover);
- the limits You want ;
- the Period of Insurance You want;
- whether You want any third parties to be noted as having an interest;
- the Excesses that You want to contribute for certain claims;
- whether any standard terms need to be varied (this may be by way of an endorsement).

Where We agree to issue a Policy, cover is provided on the basis:

- that You have paid or agreed to pay Us the Premium for the cover provided;
- of the verbal and/or written information provided by You which must have given in accordance with Your Duty of Disclosure either verbally or in writing.

If You fail to comply with Your Duty of Disclosure or have made a misrepresentation to Us, We may be entitled to reduce Our liability under the Policy in respect of a claim and/or We may cancel the Policy. If You have told Us something which is fraudulent, We also have the option of avoiding the Policy (i.e. treating it as if it never existed).

Your Duty of Disclosure and the consequences of nondisclosure, are provided under the heading ‘Your Duty of Disclosure’.

Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of “You” for details of who is covered by this term).

The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document. Only those Policy Sections shown as covered in Your Schedule are insured; and

- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement). These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

We reserve the right to change the terms of this insurance where permitted to do so by law.

Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

Premium

Your Premium – the base Premium We charge is calculated based on a number of factors such as:

- Your risk profile and the ratings We apply to Your profile (e.g. where the property is situated, the type of property being insured, the cover and limits required, other persons being insured and Your insurance history etc);
- certain costs incurred by Us in relation to the Terrorism Insurance Act; and
- Our obligation to pay relevant government taxes and charges. For example, We include an amount that covers stamp duty and GST payable in relation to the Policy. In cases where We are required to pay an estimated amount (e.g. for Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular Year but We will not adjust Your Premium because of this. You can ask Us for more details if You wish.

Minimum Premiums may apply. In some cases, discounts may apply if You meet certain criteria We set. Any discounts/entitlements only apply to the extent any minimum Premium is not reached. If You are eligible for more than one, We also apply each of them in a predetermined order to the Premium (excluding taxes and government charges) as reduced by any prior applied discounts/entitlements. Any discounts will be applied to the base Premium calculated prior to any taxes being added.

When You apply for this insurance, You will be advised of the total Premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule, which will be sent to You after the entry into the Policy. If You fail to pay We may reduce any

claim payment by the amount of Premium owing and/or cancel the policy. Special rights and obligations apply to instalment Premium payments as set out below.

Instalment Premiums

If You pay Your Premium by instalments please note that an instalment Premium outstanding for 14 days allows Us to refuse to pay a claim.

In some cases a service fee will apply where You select to pay Your Premium by instalments. We tell You the total amount payable when You apply and when and how it can be paid. This is confirmed in the Schedule We issue to You.

Your obligation to comply with the Policy terms and conditions

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment and/or cancel Your Policy.

If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

How to make a claim

If You need to make a claim under the Policy, please refer to “Claims procedure and conditions” on page 11.

How We settle claims

Where We agree to reinstate or replace Damaged property, We will replace Your property with new goods or repair it using new materials. If You ask for a cash settlement instead, We will deduct an amount for wear, tear and depreciation. This amount depends on the age of the Damaged item and the expected useful life.

If You replace an item without Our authority, We will only pay You what We could have replaced it for using trade discounts that are available to Us. More details around how We settle claims are provided in this document under the “Basis of settlement applicable to this Section” sections within each cover Section.

Cancellation rights under the Policy

How You may cancel this Policy

- You may cancel this Policy at any time by telephoning Us.
- Where there is more than one contracting insured We will only cancel the Policy when a written agreement to cancel the Policy is received from all

contracting insureds named as the insured or from a person authorised to act as agent of all such persons.

How We may cancel this Policy

- We may cancel this Policy in any of the circumstances permitted by law by informing You in writing.
- We will give You this notice in person or send it to Your address last known to Us.

Return Premium

If You or We cancel the Policy We may deduct a pro rata proportion of the Premium for time on risk, reasonable administrative and transaction costs related to the acquisition and termination of the Policy We incur and any government taxes or duties We cannot recover.

Premium funders

If the Premium has been funded by a premium funding company which holds a legal right over the Policy by virtue of a notice of assignment and/or irrevocable power of attorney, a refund will be made to the premium funding company of the proportionate part of the Premium applicable to the unexpired Period of Insurance.

Renewal procedure

Before Your Policy expires, We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any other renewal We make, unless We tell You otherwise.

It is important that You check the terms of any renewal before renewing to satisfy Yourself that the details are correct. In particular check the Sum Insured amounts to ensure the levels of cover are appropriate for You or if You are insuring for reinstatement or replacement value, the full replacement value of Your property, to ensure that You are properly covered in the event of a major loss.

Please note that You need to comply with Your Duty of Disclosure before each renewal (see below).

Your Duty of Disclosure

Before You enter into the Policy with Us, the Insurance Contracts Act 1984 requires You to disclose to Us every matter that You know or could reasonably be expected to know is relevant to Our decision whether and on what terms Your application for insurance is acceptable and to calculate how much premium is required for Your insurance.

You have the same duty to disclose those matters to Us before You renew, extend, vary or reinstate the Policy.

The duty applies until the Policy is entered into, or where relevant, renewed, extended, varied or reinstated (Relevant Time). If anything changes between the time You provide answers or make disclosure and the Relevant Time, You need to tell Us.

What You do not need to tell Us

You do not need to tell Us about any matter:

- that diminishes Our risk;
- that is of common knowledge;
- that We know or should know as an insurer; or
- that We tell You We do not need to know.

Who does the duty apply to?

The Duty of Disclosure applies to You and everyone that is an insured under the Policy. If You provide information for another insured, it is as if they provided it to Us.

What happens if the Duty of Disclosure is not complied with?

If the duty of disclosure is not complied with We may cancel the Policy and/or reduce the amount We pay if You make a claim. If fraud is involved, We may treat the Policy as if it never existed, and pay nothing.

Privacy Act 1988 – Information

We collect Your personal information directly from You where reasonably practicable or if not, from other sources. We collect it to provide Our various services and products (e.g. to market, arrange and administer insurance and to handle and settle claims) and to conduct market or customer research. We also use it to develop and identify services of Our related companies and alliance partners that may interest You (but You can opt out of this by calling the Allianz Privacy Service Line on 13 2664 EST 8am-6pm, Monday to Friday or indicate Your decision in the appropriate area of the Privacy section of Our website at www.allianz.com.au). If You do not provide the information We require We may not be able to provide You with this service.

We disclose information to third parties who assist Us in the above (e.g. insurers, insurance intermediaries, insurance reference bureaus, related companies, Our advisers, persons involved in claims, external claims data collectors and verifiers, Your agents and other persons where required by law). We prohibit them from using it for purposes other than those We supplied it for.

Where You provide Us with information about another person for the above purposes, You must tell Us if You

haven't got their consent to this. If You wish to gain access to Your personal information (including to correct or update it), have a complaint about a breach of Your privacy or You have any query on how Your personal information is collected or used, or any other query relating to privacy, contact Us on 13 2664 EST 8am-6pm, Monday to Friday.

General Insurance Code of Practice

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry through promoting better communication between insurers and customers and outlining a standard of practice and service to be met by insurers.

We keenly support the standards set out in the Code.

You can obtain more information on the Code of Practice and how it assists You by contacting Us. Contact details are provided on the back cover of this document.

Dispute resolution process – helping You solve any problems

Complaints or disputes are not an everyday occurrence at Allianz. We strive to do things the right way and keep Our customers happy.

Sometimes, complaints or disputes do occur and when this happens, Our objective is to resolve any disagreement as amicably and as quickly as possible. We believe the best way to achieve this is to provide You with an opportunity for an unbiased review of the issue.

Here is what to do if a complaint or dispute arises

Regardless of whether the complaint or dispute involves Our staff, an agent, loss adjuster, assessor, investigator or the service We provide, simply contact Us on 13 2664 EST 8am-6pm, Monday-Friday, speak to one of Our call centre operators and provide them with the details of the issue concerning You. They will attempt to resolve the complaint or dispute; if they are unable to do so they will log it and refer it to the appropriate business unit for resolution.

Within Our organisation We have established a complaints and disputes resolution process. This is a free service. It is a system designed to log, track, escalate and monitor complaints received from clients and customers about Our services and products. A staff member involved in the complaints and disputes resolution process will write to You within 15 working days advising the outcome of the review and reasons for their decision. We do not consider a complaint or dispute to be resolved until a proposed resolution or solution has been communicated to You and You have accepted the resolution or solution.

If You are not satisfied with the outcome of this process

If We are unable to resolve the complaint or dispute, We will offer You the option of referring the matter to the insurance industry's external independent complaints scheme (subject to eligibility). The scheme will only review complaints or disputes if they have gone through Our internal complaints and disputes resolution process.

Terrorism Insurance Act

We have determined that this Policy (or part of it) is a Policy to which the Terrorism Insurance Act 2003 applies. We may elect to reinsure part or all of Our liability under the Act with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, We may be required to pay a premium to ARPC and that amount (together with the cost of that part of the cover provided by Us and administrative costs associated with the legislation) is reflected in the premium charged to You. As with any other part of Our premium, it is subject to government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

For further information contact Allianz or Your intermediary.

Contact for assistance or confirmation of cover

If You need to confirm any Policy transaction or clarify any of the information contained in this document or if You have any other queries, please contact Us via the details on the back cover.

GST amount that relates to Our settlement of Your claim. We will reduce the GST amount We pay by the amount of any input tax credits to which You are or would be entitled.

Both the Standard Gross Revenue and Annual Gross Revenue will be adjusted as necessary to provide for the trend or other variations affecting the Business, either before or after the Damage, or which would have affected the Business but for the Damage occurring, so that the adjusted figures will represent as nearly as reasonably practicable the Business results that would have been achieved during the relative period after the Damage.

the amount by which the Gross Revenue during the Indemnity Period shall, as a result of the Damage, fall short of the Standard Gross Revenue,
- b. in respect of Increase in cost of working:
the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of Gross Revenue that, but for that expenditure, would have taken place during the Indemnity Period in consequence of the Damage, but not exceeding the amount of the reduction in Gross Revenue so avoided;

less any sum saved during the Indemnity Period in respect of the charges and expenses of the Business payable out of Gross Revenue that cease or are reduced in consequence of the Damage and any Uninsured Working Expenses.

2. Additional increase in cost of working

the increase in cost of working (not otherwise recoverable under this Policy) necessarily and reasonably incurred during the Indemnity Period as a result of the Damage for the purpose of avoiding or diminishing reduction in Gross Revenue and/or resuming and/or maintaining normal Business operations and/or services.

Our liability under this Section will not exceed the Sum Insured stated against each item in the Schedule.

- b. at any electricity station or substation, gas works or water works of a public supply undertaking from which You obtain electric current, gas or water. Where the public supply undertaking is not at or immediately adjacent to Your Premises the interruption of supply must extend for longer than 48 hours for this additional benefit to apply.
- c. in any commercial complex of which the Premises forms a part or in which the Premises are contained, that prevents or hinders the use of or access to the Premises which results in cessation or diminution of trade, including any cessation or diminution of trade due to temporary falling away of potential custom.
