## 3. Seek an external review

You are entitled to seek an external review of our decision. We will provide you with information about options available to you, including, if appropriate, referring you to the external dispute resolution scheme administered by the Financial Ombudsman Service Limited (FOS).

## Your duty of disclosure

When you take out, renew, or change or vary a policy, or when you make a claim, you have a duty to answer our questions truthfully and provide us with any information that could affect our decision to insure you, or the terms of your policy. This is called your 'duty of disclosure'.

### What you must do when you apply to take out this policy

When applying to take out insurance we will ask you certain questions. When answering these questions, you must be honest, and you have a duty under the *Insurance Contracts Act 1984* to tell us anything:

- known to you, **and**
- which a reasonable person in the circumstances, would include in answer to any question.

We will use your answers to help us decide whether to insure you and anyone else under this policy, and on what terms.

## Who you are answering the questions for

It is important that you understand you are answering the questions in this way on behalf of yourself and anyone else that you want to be covered by the policy.

## If you do not answer our questions in this way

When your policy is renewed, varied, reinstated or extended you have a duty, under the *Insurance Contracts Act 1984*, to tell us anything that you:

- know, **or**
- could reasonably be expected to know is relevant to our decision whether to accept the risk of insurance and on what terms.

Your duty does not require the disclosure of anything that:

- diminishes the risk to be undertaken by us
- is of common knowledge
- we know, or in the ordinary course of business, ought to know, **or**
- is a matter that we indicate your duty has been waived by us.

## If you do not comply with your duty of disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the policy in respect of a claim, or we may cancel the policy.

If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

#### What is covered

Your buildings and/or your contents as set out in your schedule are covered if they are destroyed, lost or damaged. They are covered only if you own them, or are liable for them.

If you only cover your buildings, the cover provided under the policy for destruction, loss or damage does not apply to your contents.

- jetties, wharves, bridges, moorings or pontoons for damage by flood.

## Additional things we will pay for when you have insured your buildings

If you have cover for your buildings, the following will be paid in addition to the sum insured as listed on your schedule.

We will pay these costs when they relate to loss or damage caused by or arising from accidental loss or accidental damage that is covered by this policy:

- if you are unable to live in your buildings after loss or damage has occurred, we will pay for you to rent another property. We will pay an amount equal to the amount that your buildings could have been rented out for each week if the loss or damage had not occurred.

We will also pay the costs of alternative accommodation for your pets.

We will pay these costs for up to 12 months. The most we will pay for these costs is 20 per cent of your buildings sum insured, as listed on your schedule.

We will only pay these costs if your buildings are unable to be lived in after loss or damage has occurred.

We will reduce the amount we pay you, or stop paying you, **if**:

- you receive any payment for rent from another source, **or**
- you do not need to rent another property.
- if you are unable to live in your buildings after loss or damage has occurred, we will pay for additional living expenses up to \$1000.
- We will pay to make modifications to your buildings if you are injured as a result of loss or damage to your buildings. We will only pay for modifications if the injury results in permanent paraplegia or permanent quadriplegia and the modifications are required for you to continue to live at the situation. The most we will pay is \$25,000.
- We will pay your legal costs to discharge your mortgage if your claim is for a total loss.
- We will pay to replace the Certificate of Title to your situation if it is destroyed or damaged.
- We will pay the reasonable costs of demolishing and removing and disposing of any buildings debris when damage or loss occurs.

- We will pay the reasonable costs of architects, surveyors and engineers and also pay any legal fees that arise from reinstating your buildings when loss or damage occurs.
- If a key to an external door lock of your buildings or a key to an external window lock of your buildings, is stolen, lost or you have reason to believe that they have been duplicated, we will pay the reasonable and necessary costs of replacing the external lock, key or cylinder with a similar item. We decide which one we will do.
- We will cover your trees, plants, shrubs or lawns for loss or damage by an insured event other than storm. We will pay to replace your trees, plants, shrubs or lawns.  
We will not pay for loss or damage caused by a weather-related event.
- If we agree to pay you for loss or damage to your buildings, we will increase your sum insured for your buildings by the amount the Consumer Price Index (all groups) has increased since you took out your policy or last renewed it.
- You are fully insured again for your buildings for the amount shown in your schedule following a claim unless your claim is for a total loss. If your claim is for a total loss and we pay you the sum insured, then the cover for your buildings will end, however liability cover will remain in force until the expiry date of the policy.

Liability cover in relation to your buildings formerly occupied by you will continue beyond the expiry date of your policy until the earliest of:

- any construction commencing at the situation
- the sale of the situation or any part of it
- another policy that includes liability cover being taken out in relation to the situation
- the commencement of construction of a building to replace the insured building at another situation, or
- six months from the date of the damage that caused the total loss.
- We will pay up to an additional 30 per cent of the buildings sum insured if your buildings are damaged as a result of an event that the government declares a catastrophe or emergency.

We will only do this **if**:

- your buildings are considered by us to be a total loss

- the increased cost to rebuild or repair your buildings was caused solely by the event that the government declares a catastrophe or emergency
- the cost to rebuild or repair your buildings is greater than your buildings sum insured, **and**
- you rebuild or repair your buildings at the situation.

We will not pay the cost necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing your buildings at the situation.

- This benefit is only payable for additional building costs that have been caused as a result of increased demand on building material and labour costs by the catastrophe or emergency. This benefit will not provide any shortfall caused in your rebuilding costs if you have under insured your building.

**Example (does not include costs necessary to meet the requirements of any statutory authority)**

<b>Your building sum Insured</b>	\$200,000
<b>Cost to rebuild your building immediately prior to event</b>	\$250,000
<b>Cost to rebuild your building immediately after the event</b>	\$270,000
<b>Benefit payable</b>	\$20,000

- We will pay the costs necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing the buildings at the situation. We will not pay any costs which resulted from any notice which a statutory authority served on you before loss or damage to your buildings occurred. The most we will pay in any one period of insurance is \$25,000
- This benefit does not apply to the increased cost to rebuild or repair your buildings caused solely by an event that the government declares a catastrophe or emergency
- If this policy insures your building, which is your primary residence, we will pay up to \$2,000 in any one period of insurance if your unfixed building materials are lost or damaged at the situation due to an event covered by this policy. Cover only applies to building materials intended to be used for repairs, alterations or additions to your building at the situation. (We do not insure soil, sand, gravel, bark or mulch or any similar materials.) We do not cover any gas or electrical appliances unless they are in a locked and fully enclosed part of the building where those items are not visible from the outside of the building.

If you have cover for your buildings and you have entered a contract to sell your home, we will extend your buildings cover under the policy to the purchaser from when the purchaser becomes liable for any damage to the home until the contract is settled or terminated, or until the purchaser insures the home, whichever happens first.

### **Additional things we will pay for when you have insured your contents**

If you have cover for your contents, the following will be paid in addition to the sum insured as listed on your schedule. We will pay these costs when they relate to loss or damage caused by or arising from accidental loss or accidental damage that is covered by this policy.

- We will pay to reinstate, reproduce or restore your documents if they are damaged while contained at the situation or in a bank vault. This includes the information contained on the documents.
- If any of your credit, debit or stored value cards are fraudulently used after they are lost or stolen or are fraudulently used on the internet, we will pay up to \$7,500 in total to the financial institutions that issued them. We will only pay if you complied with the terms on which the credit cards were issued.
- We will pay the reasonable costs of alternative accommodation. We will pay these costs for up to 12 months. The most we will pay for these costs is 20 per cent of your contents sum insured, as listed on your schedule. We will only pay for these costs when, and only for the period for which, you are unable to live at your situation after loss or damage has occurred.

- you receive any payment for rent or accommodation from another source
- you do not need to pay for alternative accommodation.
- We will pay additional living expenses up to \$1,000, only for the period for which you are unable to live at your situation after loss or damage has occurred.
- If you are unable to live at your situation after loss or damage has occurred, we will pay the reasonable costs to remove and store your contents while your situation is being repaired. We will pay this for up to 12 months.

We will also cover your contents while they are in storage. We will only pay for this when you are unable to live at your situation.

- If guests, employees, exchange students or visitors to your situation bring their own contents with them, we will regard those contents as belonging to you. The most we will pay is \$5,000 if these contents are lost or damaged. This cover is subject to the list of contents items and limits shown on pages 27–28, under ‘What are your contents’.

We will not pay if these contents are already insured under another policy by someone other than you.

- If money or negotiable instruments belonging to guests, employees, exchange students or visitors are lost or damaged, we will regard that money or negotiable instruments as belonging to you. The most we will pay is \$1,500. We will not pay if the money or negotiable instruments are already insured under another policy by someone other than you.
- We will cover your contents for loss or damage while they are in a commercial storage facility in Australia up to the total contents sum insured, as listed on your schedule. However, we will not cover jewellery, money or negotiable instruments.

You must tell us that your contents are in a commercial storage facility before they are put into storage and we must have agreed to cover them.

If we agree to cover your contents in a commercial storage facility, it will be listed on your schedule.

- We will cover your contents for loss or damage while they are being transported by a vehicle to your situation, a new situation or to a commercial storage facility within Australia, up to the contents sum insured as shown on your schedule, during your period of insurance.

We will only cover your contents if there is a theft following violent or forcible entry, or loss or damage occurs as a result of fire, collision or overturning of the vehicle that is transporting your contents.

We will not cover loss or damage:

## Paying claims

### **Excesses that apply when you make a claim**

An 'excess' is your contribution towards the cost of a claim. We will tell you if you need to pay an excess when you make a claim.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history.

At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

For each claim for your buildings or your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your schedule.

Your excess will be increased by \$250 for any claim for damage or loss arising from an earthquake or tsunami. This loss or damage must occur within 72 hours of the earthquake.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your building or contents are a total loss.

When a claim is paid under 'Additional things we will pay for when you have insured your buildings' only, 'Additional things we will pay for when you have insured your contents' only, or 'Additional things we will pay for when you have insured your buildings and/or contents' only, your excess will not apply. Sums insured, limits and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable excess.

## **The most we will pay for your buildings or your contents**

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are your contents' on pages 27–28 for details of these contents items and the amounts we will pay.

# How we pay a claim for your buildings

## When your schedule shows 'including replacement benefit'

When loss or damage occurs to your buildings, we will pay the cost of rebuilding your buildings or repairing the damaged portions to the same condition as when they were new. We will only do this when your schedule shows 'including replacement benefit'.

We will also pay any additional costs required for your buildings to comply with government or local authority bylaws. **We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the loss or damage occurred.**

Rebuilding or repairing your buildings must commence within six months of the loss or damage occurring. If it does not commence within six months, we will do one of the following:

- pay you the cost of reinstating or repairing your buildings to the condition they were in just before the loss or damage occurred.
- pay you the value of the land and your buildings just before the loss or damage occurred. We will reduce this payment by the value of your land and your buildings after the loss or damage occurred.

We decide which one we will do.

We will pay for the damaged portions of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will try to match any material used to repair your buildings with the original materials. If we cannot, we will use the nearest equivalent available to the original materials. **We will not pay any costs for replacing undamaged property.**

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. **We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.**

The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

If a claim relates to replacement of lost or damaged refrigerators, freezers, washing machines, clothes dryers and dishwashers, with less than a 3 Star Energy Rating, we will replace these items with items that have a minimum 3 Star Energy Rating.

- pay you the cost of replacement or repair.

We decide which one we will do.

When a valuable item is part of a pair, set, system or collection, we will only pay the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

We will reduce any payment for loss of, or damage to, an item under this section by the amount we pay you for the same item under your contents cover.

### **Limit for valuable items**

The most we will pay for any one item, pair, set, collection or system is \$10,000 for valuable items.

You can insure items, pairs, sets, collections or systems that are worth more than the above limit for their actual value as 'special valuable' items.

To do this you must advise us and the items will be listed on your schedule. The most we will pay in total for all valuable items is the amount shown on your schedule.

### **What Section 1 and Section 2 of the policy do not cover**

We will not pay claims for loss, damage or liability arising from:

- war or warlike activity. War does not have to be declared. We do not provide cover for theft following this
- hostilities, rebellion, insurrection or revolution. We do not provide cover for theft following these events
- contamination by chemical and/or biological agents, which results from an act of terrorism. Terrorism is any act which may, or may not, involve the use of, or threat of, force or violence where the purpose of the act is to further a political, religious, ideological aim or to intimidate or influence a government (whether lawfully constituted or not) or any section of the public
- lawful destruction or confiscation of your property
- anything nuclear or radioactive
- damage to a heating element. We will pay for any resultant damage following damage to a heating element
- mildew, atmospheric or climatic conditions
- mould or fungi

- damage, loss or injury that you or anyone acting for you deliberately caused
- storm surge, the action of the sea, tidal wave, high water, or erosion
- landslide or subsidence except as detailed on page 15
- any event that does not occur within the period of insurance
- failure or inability of any item, equipment or computer software to recognise correctly, to interpret correctly or to process correctly any date or to function correctly beyond any time when that item, equipment or computer software has not recognised, interpreted or processed correctly any date. We will pay for any resultant loss or damage that is covered by this policy; however, we will not cover resultant loss or damage to any frozen food, computer equipment or computer software.

## Section 3

# Workers' Compensation

This section of the policy only applies when your schedule shows that you have cover for workers' compensation.

If you have employees, in some circumstances workers' compensation cover is compulsory. If you are unsure, check with your local Workers' Compensation Authority.

We will pay the amount you are liable to pay if a person you employ is injured while working for you. We will only pay if the person is doing domestic work for you. **We will not pay if the person is working for you in your business, profession, trade or occupation.**

The amount we will pay is subject to the relevant workers' compensation legislation in your state or territory.

Please refer to page 3 under 'Who is the insurer'.

# Policy information

## When your cover does not apply

Your cover for your buildings, contents and valuable items will not apply if, for a continuous period of 100 days or more, no one has occupied your buildings, unless the loss or damage results from lightning, thunderbolt, riot and civil commotion, damage directly caused by impact by a vehicle, waterborne craft, space debris, aircraft, rocket, satellite, a branch, tsunami or earthquake. However, we do not insure you against any subsequent resultant damage such as rainwater entering any opening made by impact, or looting subsequent to a riot.

You can ask us to provide cover if your buildings are not going to be occupied for more than 100 days.

If we agree to provide cover, we will advise you in writing.

## You cannot give your rights away

You cannot give anyone else an interest in this policy without our written consent.

## What you are required to do for us

- You must pay us the premium for this insurance.
- You must tell us as soon as possible of anything that changes the facts or circumstances relating to your insurance.
- You must take reasonable precautions to prevent anything which could result in a claim under this policy.
- You must make sure that anyone doing anything on your behalf obeys all laws.
- You must comply with the conditions of this policy.

## Cancelling your policy before the due date

You can cancel this policy at any time. To do this you must tell us in writing. The policy will end when we receive your notification.

We can cancel this policy if you do any of the following:

- make a misleading statement to us when you apply for your insurance

- fail to tell us anything you should tell us when you apply for this policy, renew this policy and when you change or reinstate this policy
- fail to comply with the conditions of this policy
- fail to pay the premium for this insurance
- are not fair and open in your dealings with us
- make a claim during the period of this policy that is not true. The claim does not have to be under this policy and can be with us or another insurance company.

We may cancel this policy if there is a change in the circumstances of the risk during the period of insurance.

If we cancel this policy, we will advise you in writing. To do this, a notice will be delivered or posted to you.

### **Return of premium if your policy is cancelled before the due date**

If your policy is cancelled before the due date:

- we will keep the premium for the period that the policy was in force
- we will return to you the premium for the period from the date the policy ended to the due date of the policy.

### **How the Goods and Services Tax affects your claim**

Where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you are, or will be, or would have been entitled to under *A New Tax System (Goods and Services Tax) Act 1999* in relation to that acquisition, whether or not that acquisition is actually made.

Where we make a payment under this policy as compensation instead of payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to under *A New Tax System (Goods and Services Tax) Act 1999* had the payment been applied to acquire such goods, services or other supply.

## The law that applies to this policy

Any disputes arising from this policy will be determined by the courts, and in accordance with the laws, of the state or territory of Australia where this policy is issued.

## How to make a claim

Please contact your nearest CGU Insurance office when something happens that you believe you can claim for.

### What you must do when you make a claim

You must make your claim as soon as possible after you suffer a loss. If you do not make your claim within 30 days, we may reduce what we pay you by an amount to take account of any disadvantage we suffer by the delay.

You must also:

- take all reasonable steps to stop any further loss from occurring
- advise the nearest police station if your property is lost or stolen, vandalised or maliciously damaged. We may ask you to give us a written report from the police
- keep the property that has been damaged so we can inspect it
- tell us about any prosecution or inquest that may be held
- send us any document relating to your claim within 72 hours of you receiving the document.

### What you must not do when you make a claim

You must not do any of the following:

- repair or replace any damaged property without our consent
- pay, promise to pay, or offer payment, or admit responsibility for a claim.

## You give us your rights to claim from anyone else

If you have a right to claim against someone else for a claim you made under this policy, you give us your rights to make that claim. You also give us your rights to conduct, defend or settle any legal action and to act in your name. You must not do anything which prevents us from doing this and you must give us all the information and cooperation that we require.
