Important Information

1. ENTERING INTO THE POLICY WITH US

Where We have agreed to insure You, We confirm this by issuing You with a Policy Schedule which provides details relevant to You, such as Sums Insured, Limits of Liability, Premium and Excesses.

The Policy, which is Your contract with Us, is entered into on the basis of the information provided by You in the application process. Please ensure You have complied with Your Duty of Disclosure as this can affect Your ability to claim.

The Policy is entered into on the condition that You will pay the Premium required by Us by the agreed time (including any adjustments).

In order to calculate Your Premium, We take various factors into consideration, including the level of cover requested and the property to be insured.

Your Premium also includes amounts that take into account Our actual or estimated obligation to pay any relevant compulsory government charges, taxes or levies (for example Stamp Duty, GST and Fire Services Levy).

The Policy is made up of:

- this document;
- the Policy Schedule;
- any endorsements to the Policy issued by Us.

You need to:

- read these documents together as they set out all of the terms and conditions of Your cover;
- check them to make sure that the cover given is what You want;
- keep them together in a safe place for future reference along with receipts, and other evidence of ownership and value of items You have specified on the proposal form, or any other application for insurance, and for any other items of significant value.

If You do not meet Your obligations under the Policy, We may cancel it and/or reduce Our liability in respect of a claim to the extent permitted By-law.

If You need more information about the Policy please contact Your insurance adviser or Us.

2. COST OF THE INSURANCE

In order to calculate Your Premium, We take various factors into consideration, including the level of cover requested and the property to be insured.

Factors that increase the risk to Us generally increase the

Premium (eg. high claims experience or higher Sum Insured) and factors that reduce the risk to Us generally reduce the premium (eg. low claims experience or lower Sums Insured).

Your Premium also includes amounts that take into account Our actual or estimated obligation to pay any relevant compulsory government charges, taxes or levies (for example Stamp Duty, GST and Fire Services Levy). Where We are required to pay an estimated amount (eg. For Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may under or over recover in any particular year but We will not adjust Your Premium because of this. You can ask Us for more details if You wish.

When You apply for this insurance, You will be advised of the total amount payable, when it needs to be paid and how it can be paid. This amount will be clearly set out in Your Schedule, which will be sent to You within 5 days of the issue of this product. If You fail to pay, We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy.

You may also be required to pay an excess in the event of a claim under this Policy. The amount of any excess will be shown on Your Policy schedule.

3. YOUR DUTY OF DISCLOSURE

Your duty of disclosure for a new Policy

The *Insurance Contracts Act 1984* requires that any information that We seek must be collected by a specific question.

When answering Our questions, You must be honest and You have a duty under the *Insurance Contracts Act 1984* to tell Us anything known to You, and which a reasonable person in the circumstances, would include in answer to the question. We will use the answers in deciding whether to insure You and anyone else to be insured under the Policy, and on what terms. It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the Policy.

Your duty of disclosure before You renew, extend, vary or reinstate Your Policy.

You have a duty, under the *Insurance Contracts Act 1984*, to disclose to Us every matter that You know, or could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by Us;
- that is of common knowledge;

Important Information

- that We know or, in the ordinary course of Our business, ought to know;
- where compliance with Your duty is waived by Us.

When answering any questions, You must be honest.

We will use the information You disclose in deciding whether to insure You and anyone else to be insured under the Policy, and on what terms.

Consequence of non-disclosure

If You fail to comply with Your duty of disclosure for a new Policy, or before You renew, extend, vary or reinstate Your Policy We may be entitled to reduce Our liability under the Policy in respect of a claim or may cancel it. If Your non-disclosure is fraudulent, We may also have the option of avoiding the Policy from its commencement.

4. OTHER PARTY'S INTERESTS

We only cover persons specified in the Policy as entitled to cover for the relevant interest specified. If You want to cover a person's interest that is not specified You need to apply to Us for this.

5. COOLING OFF

If You are not completely satisfied with the Policy You may cancel it by notifying Us in writing within 30 days of cover having commenced. You will receive a refund of the amount You have paid unless You have made or are entitled to make a claim under the Policy. You still have cancellation rights after this Cooling Off period ends, which are set out in the General Conditions.

6. CODE OF PRACTICE

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice, which is a self regulatory code for use by all insurers. The Code aims to raise the standards of practice and service in the insurance industry.

We are a signatory to the Code. If You require further information about the General Insurance Code of Practice, please contact Us.

7. COMPLAINTS

If You have a complaint, You may contact Us and request that We review the matter. If You are dissatisfied with Our decision, You may request it be reviewed by Our Internal Dispute Resolution (IDR) Committee.

The FOS is a free and independent external dispute resolution scheme for consumers approved by the Australian Securities and Investment Commission for disputes. The scheme applies to matters that are covered by the FOS' Terms of Reference. We are a member of this scheme and We agree to be bound by the FOS' determinations on disputes but You are not so bound. If You wish Your dispute to be determined by the FOS, You must refer Your dispute to the FOS within 2 years of the date of Our final IDR response. You may refer the matter to the FOS by contacting them at:

In some circumstances, We are able to deny Your request for access to personal information. If We deny Your request for access, We will tell You why.

9. GOODS AND SERVICES TAX (GST)

All amounts insured by the Policy are in accordance with the advice You have given to Us regarding Your GST status. Any claim settlements, up to the total of all amounts insured, will be calculated with reference to Your GST status and the GST status of the property which is the subject of the claim.

We will not be liable to pay any GST, or any fine, penalty or charge that You are liable for arising out of Your misrepresentation of, or failure to disclose, Your proper input tax credit entitlement on the Premium relating to the Policy.

In respect of Your Policy with Us, where You are registered for GST purposes, You should calculate Your proposed Sums Insured with reference to the GST status of each item of property to be insured. Depending on the GST status of each item of property to be insured, the Sums Insured may or may not include a GST component. An amount for GST should only be included in the Sum Insured if the item of property to be insured which are not used 100% for business use. All items of property to be insured which are used 100% for business use should be insured on a GST exclusive basis. Any claim settlements, up to the total of all amounts insured, will be calculated with reference to Your GST status and the GST status of the property which is the subject of the claim.

This outline of the effect of the GST on Your Policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

10. TERRORISM INSURANCE ACT 2003 (CTH)

Some sections of this Policy exclude cover for losses as a result of Terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then You may be afforded protection within the limits of indemnity of this Policy by virtue of the *Terrorism Insurance Act 2003*. The operation of this Act may also serve to reduce the settlement of Your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

Important Information

A more detailed explanation of the operation of the *Terrorism Insurance Act 2003* can be obtained at www.arpc.gov.au.

11. UNDERINSURANCE

It is Your responsibility to ensure that the Sums Insured of the Vehicle or property You want insured by this Policy are adequate. Sums Insured should reflect the new replacement value of any Vehicle or property to be insured. If Sums Insured are not adequate, claims may not be paid in full.

You should review the adequacy of Sums Insured periodically during the Period of Insurance and prior to renewal each year. Inadequacy of Sums Insured can present significant issues of financial hardship. If You are unable to establish the adequacy of Sums Insured, You should seek assistance from Your insurance advisor.

12. FINANCIAL CLAIMS SCHEME

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) and only applies in the event of an insurer becoming insolvent and the Federal Treasurer declaring that the FCS will apply to that insurer.

Payment of a claim under the FCS is subject to the Scheme's eligibility criteria being met.

Information about the FCS can be obtained from the Australian Prudential Regulation Authority at www.apra.gov.au or by calling 1300 55 88 49.

Cover Section

“Market Value” means the estimated amount for which the Business Property should exchange immediately before the damage, between a willing buyer and a willing seller in an arms-length transaction, after proper marketing, wherein the parties had each acted knowledgeably, prudently and without compulsion.

COVER

The scope of cover provided is explained in the clauses ‘Defined events cover’ and ‘Accidental damage cover’.

We will cover You for loss or damage caused by the events listed under ‘Defined Events Cover’ and ‘Accidental Damage Cover’ to Your Business Property which occurs during the Period of Cover.

The current Policy Schedule shows what You have covered and the method of settlement.

BASIS OF SETTLEMENT

There are two methods of paying Your claims. They are ‘reinstatement or replacement value’ and ‘indemnity value’.

The claim payment method You are covered for is shown on the current Policy Schedule.

1. Reinstatement or replacement value

We will pay the cost of rebuilding, replacing or repairing any damaged part of Your Business Property to the same condition as when they were new or, where appropriate, in accordance with the ‘Output replacement’ clause set out below.

Business Property may be rebuilt or erected at another location and in a manner suitable to You provided You pay any additional costs to build or erect elsewhere.

If the Business Property is lost or damaged You must commence to rebuild, replace or repair within a reasonable time of the loss or damage, after Our consent has been obtained. If You do not, We will pay no more than the cost that would have been incurred if the work of rebuilding, replacement or reinstatement has been commenced and carried out with reasonable dispatch.

Extra cost of reinstatement

(Applicable to Buildings, machinery and plant).

Where ‘Reinstatement or replacement’ basis of settlement is shown in the Policy Schedule, this section extends to include the extra cost of reinstatement (including demolition or dismantling) of damaged property insured necessarily incurred to comply with the requirements of any Act of

- c) Our total liability under this clause ‘Extra cost of reinstatement’ will be limited to:
 - i) the sub-limit of liability shown in the current Policy Schedule for ‘Extra cost of reinstatement’ which shall be in addition to the sum insured, or
 - ii) if no such sub-limit of liability is stated, and the damage is less than fifty percent (50%) of the Replacement Cost of the Buildings or Contents, Our liability shall be limited to the extra cost necessarily incurred in reinstating the damaged Business Property only,
- d) the amount recoverable shall not include the additional costs incurred with complying with any such Act, Regulation or By-law or requirement with which You have been required to comply prior to the happening of the damage,
- e) the underinsurance condition of the Business Property cover section of the Policy will not be applied to the amount payable under this clause.

2. Indemnity value

If the basis of settlement is shown in the Policy Schedule as Indemnity, We will pay the cost to repair or replace the insured property less an equitable amount for age, wear, tear, depreciation and will make an adjustment for the general condition and remaining useful life of the individual item or components that are damaged.

1. Tenants actions

- a) You have taken all reasonable actions, as soon as You become aware of conditions causing the breach, to have the tenant comply with the terms,
- b) You notify Us within a reasonable amount of time of becoming aware of the breach,
- c) You agree to pay a reasonable increase in premium for the additional risk.

2. Underinsurance/average

For each occurrence under the 'Business Property cover section', We will not be liable for more than that proportion of damage which; in respect of Buildings, Contents, Stock and specified items the sum insured on the total amount for Buildings, Contents, Stock and specified items at the Situation, at the time of the commencement of each Period of Cover bears to eighty percent (80%) of the full insurable value of such Buildings, Contents, Stock and specified items.

Conditions:

- a) Our liability is limited to the sum insured at the Situation as shown in the Policy Schedule.
- b) This clause will not apply if the amount of any damage does not exceed ten percent (10%) of the sum insured at the Situation.

Example:

Total value \$200,000

80% of value = \$160,000

Therefore if a \$100,000 loss occurs, We would pay \$144,000/ \$160,000) x \$100,000 = \$90,000

We would pay \$90,000.

Business Property

3. Release

Without prejudicing Your position under this cover section, You may release any railways, other transportation companies, statutory governmental, semi-governmental or municipal authority from any liability if required by any contract to do so.

- a) Where any Business Property is to be replaced with any item or items which have the same or a lesser total function, capability or output, then the basis of settlement is the new installed cost of such replacement item or items as would give the same total function, capability or output as the Business Property.
- b) Where any Business Property is to be replaced with an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that Business Property, then the basis of settlement is the new installed cost of the item or items so replaced.

- c) Where any Business Property is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the Business Property, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items which the output of the Business Property damaged bears to the output of the replacement item or items. If the reinstatement value of the damaged Business Property is not ascertainable then the basis of settlement is the new installed cost of the replacement item or items.

7. Floor space ratio index (Plot ratio)

Where Buildings are damaged and the cost of reinstatement is more than 50% of the cost of reinstatement if the Buildings had been totally destroyed and reinstatement of such damage is limited or restricted by:

- a) any Act of Parliament or regulation thereunder, or

resulting in either case in the reduction of the floor space ratio index (plot ratio) of the site, then We shall pay in addition to the amount payable on reinstatement of such Buildings the difference between:

- i) the actual costs incurred in reinstatement subject to the reduced floor space ratio index (plot ratio), and

Business Interruption Cover Section

less any sum saved during the Indemnity Period in respect of such charges and expenses of Your Business payable out of Gross Profit as may cease or be reduced in consequence of the Damage.

Provided that if the sum insured for this item at the commencement of each Period of Cover is less than the sum produced by applying the Rate of Gross Profit to eighty percent (80%) of the Annual Turnover (or its proportionately increased multiple where the Indemnity Period exceeds twelve months), the amount payable will be reduced so that We will be liable for no greater proportion of the loss under this item than that which the sum insured bears to eighty percent (80%) of the Annual Turnover (or its proportionately increased multiple, if appropriate).

If Your Business is conducted in departments or business units the independent trading results of which are ascertainable, the provisions of Item 1 will apply separately to each department affected by the Damage. 3. Additional increase in cost of working

Business Interruption

Cover Section

occurs, as compared with such average for the same months of the preceding year,

- c) the amount determined under a), increased or decreased by the percentage calculated under b) above, will be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said Damage occurs,
- d) the amount determined under c) above will be increased or decreased in conformity with the normal fluctuation in the amount of accounts receivable during the fiscal month involved, consideration being given to the experience of Your Business since the last day of the last fiscal month for which statements have been rendered less:

If during the Indemnity Period, goods are sold, work is performed or services are rendered elsewhere than at the Business Premises for the benefit of Your Business either by You or by others acting on Your behalf, the Money paid or payable in respect of such sales, work or services will be brought into account in arriving at the Annual Revenue, Weekly Revenue or Turnover (as the case may be) during the Indemnity Period.

8. New business

In the event of Damage occurring at the Business Premises before the completion of the first year's trading of Your Business, the defined terms "**Standard Revenue**", "**Annual Revenue**", "**Standard Weekly Revenue**", "**Rate of Gross Profit**", "**Standard Turnover**" and "**Annual Turnover**" shall instead have the following meanings wherever they appear in this section:

"**Standard Revenue**" means the Revenue achieved between the date of commencement of Your Business and the date of the Damage, converted to the selected Indemnity Period.

"**Annual Revenue**" means the actual Revenue achieved during Your first year of operations, from the commencement of Your Business to the date of the Damage, converted to a 12-month equivalent figure.

"**Standard Weekly Revenue**" means the amount calculated by averaging the Weekly Revenues obtained during the period from the date of the commencement of Your Business to the date of the Damage.

"**Rate of Gross Profit**" means the proportion that the Gross Profit bears to the Turnover during the period between the date of commencement of Your Business and the date of the Damage.

"**Annual Turnover**" means the actual Turnover achieved during Your first year of operations, from the commencement of Your Business to the date of the Damage, converted to a 12-month equivalent figure.

"**Standard Turnover**" means the Turnover achieved between the date of commencement of Your Business and the date of the Damage, converted to the selected Indemnity Period.

The above definitions may be used as necessary to calculate the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result which but for the Damage would have been obtained during the relative period after the Damage.

1. Allocation

- a) If in any Claim, the Insured incur Loss jointly with others, or incur in relation to a Claim an amount consisting of both Loss covered by this cover section and Loss not covered by this cover section, then We and the Insured will allocate such amount between covered Loss and uncovered Loss based upon Our assessment of which parts of the amount fall in and which fall outside this cover section.
- b) If We and the Insured against whom a Claim is made agree on the allocation of Defence Costs in respect of Loss covered by this cover section and Loss not covered by this cover section, We will advance on a current basis Defence Costs allocated to covered Loss. If there is no agreement on an allocation of Defence Costs, We will advance on a current basis Defence Costs that We believe to be covered under this cover section until a different allocation is agreed, or it is judicially determined.
- c) Any agreed, or judicially determined allocation of Defence Costs on account of a Claim will be applied retrospectively to all Defence Costs on account of such Claim, notwithstanding any prior advancement to the contrary. Any allocation or advancement of Defence Costs on account of a Claim will not apply to or create any presumption or admission in respect of the allocation of other Loss on account of such Claim or any other Claim.

2. Defence and Settlement

- a) Unless otherwise agreed by Us in writing, We have the right to investigate any Circumstance and the right, but not the obligation, to conduct in the name of the Insured any investigation and conduct the defence or settlement of any Claim. Further, the Insured agree that in the event of a Claim, they will do nothing that may prejudice either the Insured's or Our position or any potential or actual rights of recovery. Should the handling or settlement of any Claim be prejudiced by the Insured's actions, the amount payable in respect of such Claim (including costs and expenses) shall be reduced to reflect such prejudice.

Management Liability Cover Section

- d) We may settle any Claim for any amount that We deem reasonable and the Insured shall consent to such settlement and provide any assistance with the resolution of the Claim that we reasonably require. If the Insured withholds consent to such settlement or declines to provide the assistance We require, Our liability for all Loss on account of such Claim will not exceed the amount for which We could have settled such Claim plus Defence Costs accrued as of the date such settlement was proposed in writing by Us to the Insured.
- e) The Insured will not unreasonably withhold any consent referred to in this General Claims Condition.

 - iii) the Insured, according to their respective interests, shall repay any payments advanced by Us in the event that they are not entitled to such payment under this cover section.

4. Insured's Right to Contest Claims

If the Insured does not agree with a decision made by Us to settle a Claim, the Insured can elect to contest the Claim at its own expense but Our liability will not exceed the amount for which the Claim should be settled in the opinion of a Senior Counsel appointed under Claims Condition 9. Senior Counsel. We shall pay all Defence Costs incurred up to the date the Insured notifies Us in writing of its election under this clause,

and shall pay the Insured (subject to the Limit of Indemnity and the Excess) the amount for which the Claim should be so settled. The Insured expressly agrees that Our liability in respect of such Claim shall then be at an end. If We believe that the Claim will not exceed the Excess, We may instruct the Insured to conduct the investigation, defence and settlement at their own expense. Should the Claim subsequently exceed the Excess, We agree to reimburse the reasonable Defence Costs incurred by the Insured in excess of the Excess, or pay on their behalf any additional Defence Costs, but not exceeding the lesser of the amount Senior Counsel advised the matter should be settled for or the Limit of Indemnity.

In formulating such advice, the Senior Counsel shall take into consideration the economics of the matter, the damages and costs that are likely to be recovered by the claimant, the likely Defence Costs and the prospects of the Insured successfully defending the action. The cost of the Senior Counsel's opinion shall be regarded as part of the Defence Costs of any Claim.

In the event that the Senior Counsel advises that, having regard to all the circumstances, the matter should not be defended but should be settled, provided that settlement can be achieved within certain limits that in the Senior Counsel's opinion are reasonable, then the Insured shall co-operate with Us to try to effect such settlement in accordance with this cover section. Should the Insured decide to defend such a Claim, Our liability shall not exceed the amount which the matter could have been resolved for in the advice of the Senior Counsel.

We shall be subrogated to the Insured's rights of recovery to the extent of any payment made under this cover section. Each Insured agrees to do everything necessary to secure and preserve such rights, including the execution of such

Product Disclosure Statement

This is the Product Disclosure Statement (PDS) for the Motorpack Section of this Policy. The Important Information, General Exclusions and General Conditions sections of the Commercial Business Package also form part of this PDS.

PREMIUM

In order to calculate Your Premium, We take various factors into consideration, including the level of cover requested and the property to be insured. For the Motorpack section of this Policy these factors include but are not limited to:

- type and value of Vehicle;
- type of Freight carried;
- fleet kilometres travelled;
- type of cover requested;
- age and experience of each Driver;
- location and operating radius of the Vehicle;
- Loss/claims history for the last five years;
- risk management procedures undertaken by Your business.

Factors that increase the risk to Us generally increase the Premium (e.g. high claims experience or higher Sum Insured) and factors that reduce the risk to Us generally reduce the premium (e.g. low claims experience or lower Sums Insured).

Your Premium also includes amounts that take into account Our actual or estimated obligation to pay any relevant compulsory government charges, taxes or levies (for example Stamp Duty, GST and Fire Services Levy).

Where We are required to pay an estimated amount (e.g. for Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may under or over recover in any particular year but We will not adjust Your Premium because of this. You can ask Us for more details if You wish.

When You apply for this insurance, You will be advised of the total amount payable, when it needs to be paid and how it can be paid. This amount will be clearly set out in Your Policy Schedule, which will be sent to You within five days of the issue of this product. If You fail to pay, We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy.

You may also be required to pay an Excess in the event of a claim under this Policy. The amount of any Excess will be shown on Your Policy Schedule.

EXCESS

An Excess is the part of a claim You must contribute and it is payable for each and every claim covered by the Motorpack Section. The Excess is shown in the Policy Schedule, and any additional Excesses payable in certain circumstances are shown in the Policy (refer to the Policy wording for further details). Excesses shall be cumulative across all Parts of Motorpack and within each Part of Motorpack.

The Excess is payable unless We are satisfied that another identified party is at fault, You are not at fault, and You provide Us with the other party's name and contact details.

EXCLUSIONS AND CONDITIONS

General Exclusions apply to all sections of this Policy. Each section also contains exclusions which apply specifically to that section. The exclusions explain the circumstances in which We will not cover You. Please refer to the General Exclusions and the exclusions in each section for full details.

General Conditions apply to all sections of this Policy. Each section also contains exclusions which apply specifically to that section.

The conditions explain the obligations which You must comply with to be able to make a valid claim. Please refer to the General Conditions and the conditions in each section for full details.

Claim Payments Examples

The following examples are designed to illustrate how a claim payment might typically be calculated. It is assumed that the insured is registered for GST purposes. The examples do not cover all scenarios or all benefits and do not form a part of the Policy terms and conditions. They are a guide only.

Claim Payments Examples for Parts A and B

Example: Total Loss – where the Sum Insured exceeds the Market Value

A Vehicle that is comprehensively insured for a sum insured of \$150,000, or market value, whichever is less. The standard excess is \$1,000 or 1% of the Sum Insured, whichever the greater. The Vehicle is damaged in an accidental event and We assess the cost of repair to be \$200,000. We decide it is a total loss.

The market value is determined as follows:

The Vehicle is 10 years old and We assess the market value to be \$130,000 (GST inclusive).

HOW MUCH WE PAY	EXPLANATION
Market Value is less than the Sum Insured We assess the Market Value as \$130,000.	The Vehicle is a total loss with a market value of \$130,000 and the Sum insured is \$150,000. We normally decide a Vehicle is a total loss if the complete repair cost exceeds its Market Value or Sum Insured, whichever is less, less the salvage value.
Less GST component \$11,818.18	The Market Value includes GST. As You do not have a GST liability in respect of any payment We make to You for the Total Loss of Your Vehicle, We will deduct the GST component. In this example the Vehicle is used 100% for business use.
Less Excess \$1,300	The standard Vehicle Excess \$1,000, or 1% of the Sum Insured, whichever the greater. However, in this example, We decided to pay total loss on market value of Your Vehicle, We deduct 1% of the market value, which equals \$1,300.
Total claim \$116,881.82	We would normally pay this amount directly to You in a total loss situation.
Plus lease or finance payout \$30,000	If, instead of owning Your Vehicle outright, Your Vehicle was leased or financed and the amount owing was \$160,000 (excluding any payments in arrears and resulting interest), We will pay the difference between the amount owing under the finance arrangement and the market value (\$160,000 - \$130,000) of \$30,000, this benefit has a limit of 25% of the Market Value (\$32,500) which has not been reached.
Total claim payable \$146,881.82	We would normally pay the claim directly to Your lessor or financier and not to You. You pay them any amounts left owing.

Motorpack Significant Features and Benefits

If the Vehicle in the above example was less than 2 years old at the time of the event, instead of paying the claim, as per above example, You can choose to accept a replacement Vehicle including similar accessories and parts, plus Our proportion of on-road costs e.g. registration, compulsory third party, pre-delivery. You must pay the Excess to the dealership that has provided the replacement Vehicle, or to Us at Our option.

If the Vehicle salvage is valued at \$1,000, the salvage becomes Our property and We are entitled to keep the \$1,000 proceeds of its sale, plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless You obtain these refunds directly in which case We will deduct these costs from the total claim example as per above.

Example: Authorised Repair – Licensed Repairer

A Vehicle that is comprehensively insured for a sum insured of \$150,000 or market value whichever is less. The standard excess is \$1,000 or 1% of the Sum Insured, whichever the greater.

The Vehicle is damaged in an accidental event and We assess the cost of repair to be \$50,000 (GST inclusive).

HOW MUCH WE PAY	EXPLANATION
We pay the Cost of repair \$50,000.	The Vehicle is damaged and We authorise repairs to Your Vehicle with the cost of \$50,000 in this example.
Less Excess \$1,500	The standard Vehicle Excess \$1,000 or 1% of the Sum Insured, whichever the greater. 1% equals \$1,500 of the Sum Insured in this example. We deduct this from the amount We pay to the repairer and You would pay the Excess of \$1,500 directly to the repairer.
Total claim payable \$48,500	We would normally pay this amount directly to the repairer.

Claim Payment Examples for Part C

Example: Total Loss – where the Sum Insured exceeds the Market Value

The Insured Property is insured for a sum insured of \$150,000, or market value, whichever is less. The standard excess is \$1,000 or 1% of the Sum Insured, whichever the greater. The Insured Property is damaged while in Transit and We assess the cost of repair to be \$200,000. We decide it is a total loss.

The market value is determined as follows:

The Insured Property is 10 years old and We assess the market value to be \$130,000 (GST inclusive).

HOW MUCH WE PAY	EXPLANATION
Market Value is less than the Sum Insured We pay the Market Value of \$130,000.	The Insured Property is a total loss with a market value of \$130,000 and the Sum insured is \$150,000. We normally decide Insured Property is a total loss if the complete repair cost exceeds its Market Value or Sum Insured, whichever is less, less the salvage value.
Less GST Component \$11,818.18	The Market Value includes GST. As You do not have a GST liability in respect of any payment We make to You for the Total Loss of Your Vehicle, We will deduct the GST component. In this example the Vehicle is used 100% for business use.
Less Excess \$1,300	The standard Excess \$1,000, or 1% of the Sum Insured, whichever the greater. However, in this example, We decided to pay total loss on market value of Your Insured Property, We deduct 1% of the market value, which equals \$1,300.
Total claim \$116,881.82	We would normally pay this amount directly to You in a total loss situation.
If the Insured Property salvage is valued at \$1,000, the salvage becomes Our property and We are entitled to keep the \$1,000 proceeds of its sale, plus any registration and compulsory third party insurance refund if applicable. This does not affect the calculations above unless You obtain these refunds directly in which case We will deduct these costs from the total claim example as per above.	

Motorpack Significant Features and Benefits

Example: Authorised Repair – Licensed Repairer

Insured Property is insured for a sum insured of \$150,000 or market value whichever is less. The standard excess is \$1,000 or 1% of the Sum Insured, whichever the greater.

The Insured Property is damaged in an accidental event while in Your care, custody and control and We assess the cost of repair to be \$50,000 (GST inclusive).

HOW MUCH WE PAY	EXPLANATION
We pay the Cost of repair \$50,000.	The Insured Property is damaged and We authorise repairs to Your Insured Property with the cost of \$50,000 in this example.
Less Excess \$1,500	The standard Excess \$1,000 or 1% of the Sum Insured of the damaged item, whichever the greater. 1% equals \$1,500 of the Sum Insured in this example. We deduct this from the amount We pay to the repairer and You would pay the Excess of \$1,500 directly to the repairer.
Total claim payable \$48,500	We would normally pay this amount directly to the repairer.

CLAIM PAYMENT EXAMPLE FOR PARTS A, B AND C

Example: Third Party Liability

Your Vehicle or Insured Property is insured for a sum insured of \$150,000 or market value whichever is less. The basic excess is \$1,000 or 1% of the Sum Insured, whichever the greater.

You were held legally liable to pay as compensation \$50,000 for damage to Third Party property as a result of an accidental event arising out of the use of Your Vehicle or Insured Property on a public road. The sum of \$50,000 has been adjusted to take into account the tax status of the Third Party.

HOW MUCH WE PAY	EXPLANATION
We pay the Third Party Liability \$50,000	Third party property damaged with a demand for compensation of \$50,000 in this example.
Total claim payable \$50,000	We would normally pay the claim directly to Third Party.
Your applicable Excess \$1,500	The standard Excess \$1,000, or 1% of the Sum Insured, whichever the greater. 1% equals \$1,500 of the Sum Insured in this example. We will request the Excess \$1,500 from You if Our Assessor advises there is no damage to Your Vehicle or Insured Property. However, if Our Assessor advises Your Vehicle or Insured Property s damaged and We have authorised repair, then We will deduct from the amount We pay to repair Your Vehicle or Insured Property.

3. Total Loss

If the cost of repair is greater than the Market Value of the Insured Property immediately prior to the Event, settlement shall be made on the following Total Loss basis:

- i) supply an equivalent replacement item similar in type, capacity and condition to the Insured Property immediately prior to the Event; or

5. Co-Insurance

Where the Sum Insured of any item of Insured property which is lost or damaged is less than 90% of the Market Value of that item at the commencement date of the Period of Insurance, We will only pay that portion of the Basis of Settlement described on clauses 1, 2 and 3 above, that the Sum Insured bears to the Market Value of the lost or damaged insured item.

The following example is designed to illustrate how the co-insurance clause might typically operate. This example does not cover all scenarios or all benefits and does not form a part of the Policy terms and conditions. It is a guide only.

Example:

An item of Insured Property has a Sum Insured of \$162,000. The item is damaged by an event covered by the Policy. We determine that the Market Value of the item is \$200,000 and the repair cost is \$100,000. The claim payment will be calculated as follows:

90% of Market Value = \$180,000

$(\$162,000 / \$180,000) \times \$100,000 = \$90,000.00$

We would pay \$90,000 to repair the damaged item.

6. Limit of Liability

Our total liability for any claim arising out of one Event or a series of Events arising out of one source or original cause will not exceed:

- a) For each item of Insured Property – the Sum Insured noted in the Policy Schedule set against the lost or damaged item of Insured Property, less the Excess, and any cover provided under Section 1 of Part C's Additional Covers provided that the Additional Covers do not serve to extend the amount payable beyond the Sum Insured for the lost or damaged item of Insured Property.
- b) For each Event – The Sum Insured noted in the Policy Schedule as the maximum cover for any one Event, less any Excess applicable, and any cover provided under Section 1 of Part C's Additional Covers provided that the Additional Covers do not serve to extend the amount payable beyond the Sum Insured for any one Event.

4. Cross Liability

For the purpose of the Part C of Motorpack the word Insured shall be considered as applying to each party comprising the Insured in the same manner as if a separate Policy had been issued to each of them.

Notwithstanding the above, the Limit of Liability does not apply to each Insured separately and will apply to all such Insured's in the aggregate so the Limit of Liability will not be increased for any one Accident as stated in the Policy Schedule.

5. Limit Of Liability
