About this booklet

This document is a Product Disclosure Statement (PDS) and is also our insurance policy wording. Other documents may comprise our PDS and we will specifically tell you if this is the case in the relevant document.

This document contains important information to help you understand this insurance. It is up to you to choose the cover you need. Any advice in this document is of a general nature only and has not considered your objectives, financial situation or needs. You should carefully consider the information provided having regard to your personal circumstances to decide if this insurance is right for you.

What makes up this policy

This QBE policy and the schedule must be read together as they form your insurance contract.

This policy sets out what you are insured for and those circumstances where you will not be insured.

Some words and expressions have been given a specific meaning in this policy. You will find their meaning in Definitions on page 4 to page 6.

Provided we receive the premium, we will insure you as set out in this policy and schedule in respect of an incident occurring during the period of insurance.

Important Note: Sometimes we need to change the wording of your policy because the insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find all endorsements that apply to your policy printed on your schedule.

What you are covered for

Your QBE policy insures you for an incident occurring in Australia.

Cover types

You can select one of the following QBE cover types:

- Comprehensive; or
- Third Party, Fire and Theft; or
- Third Party Only.

The type of cover you have selected will be noted on your schedule.

Comprehensive

This insurance is designed to cover you for theft or accidental damage to the insured vehicle which occurs during the period of insurance up to the amount of the sum insured or other specified maximum limit. We also cover your (and certain other person's we specify) legal liability as a result of damage caused to another person's property by your vehicle up to the limit shown on your schedule.

Driver options for Comprehensive cover

Comprehensive Preferred driver policy

A QBE Preferred driver policy provides you with a discount when you choose to restrict cover on your policy to drivers 24 years of age and over.

The insurance provided by this policy is restricted to your vehicle being driven by an insured person (the preferred driver as shown on your schedule) who;

- (a) is 24 years of age and over, and;
- (b) holds a current driving licence but not when that licence:
 - (i) is a learner's permit (unless you have informed us and it is noted on your policy that the vehicle will be used to instruct a learner driver),
 - (ii) is a provisional licence,
 - (iii) is a probationary licence (P plate);

Except where you can prove to us that your vehicle was driven:

- (i) without your consent;
- (ii) by a person, in the motor trade who was servicing or repairing it, or was an attendant parking it, or who used it because a serious medical emergency had arisen;

In these circumstances you will have to pay all the excesses which would normally apply to the policy.

Comprehensive Nominated driver policy

A QBE Nominated driver policy provides you with a discount when you choose to restrict cover on your policy to two nominated drivers.

The main nominated driver must be 21 years of age or older and the second nominated driver must be 19 years of age or older.

The insurance provided by this policy is restricted to your vehicle being driven by an insured person (a nominated driver as shown on your schedule) who;

- (a) is 21 years of age and over and listed on the policy as the main driver or, 19 years of age and over and listed on the policy as the second driver, and;
- (b) holds a current driving licence but not when that licence is a learner's permit (unless you have informed us and it is noted on your policy that the vehicle will be used to instruct a learner driver);

If at the time of the incident your vehicle is being driven by a person other than an insured person (a nominated driver as shown on your schedule), you will have to contribute towards the cost of the incident by paying us an undeclared excess, as shown on the schedule.

The undeclared excess will not be applied where you can prove to us that your vehicle was driven:

- (i) without your consent;
- (ii) by a person, in the motor trade who was servicing or repairing it, or was an attendant parking it, or who used it because a serious medical emergency had arisen;

Agreed or market value (Comprehensive policies only)

If you have a QBE Comprehensive policy, you can choose which type of sum insured you prefer, either market value or agreed value. The sum insured for your nominated vehicle is shown on the schedule:

- market value – at the time of an incident or total loss we will pay up to the market value for your vehicle (please refer to definitions on page 4 for the meaning of “market value”)
- agreed value – at the time of an incident or total loss we will pay up to the value we have agreed to insure your vehicle for during the period of insurance. This amount will be shown on your schedule. (please refer to definitions on page 4 for the meaning of “agreed value”).

The legal liability cover insures you up to a set limit of liability shown on the schedule.

Specific limits may apply to other property you want to insure, or to benefits we may pay. Please refer to your schedule and the standard benefits listed on page 9 to page 15.

Excesses may apply. See payment of excesses on page 36.

You need to make sure you are happy with both your sum(s) insured and relevant limits that apply. This is important because, if you are underinsured, you may have to bear the uninsured proportion of any loss yourself.

How we calculate your premium

The premium is the amount we charge you for this insurance policy and is shown on the schedule. We consider a number of factors when calculating your premium, including:

- the sum(s) insured.
- the type of cover you have chosen.
- the year, make and model of the vehicle being insured.
- your residential address.
- any no claim discount to which you may be entitled.
- the age of the main driver and any other drivers, as well as their driving and insurance history.
- the cost of any optional benefits you have selected.
- the level of excess you choose to pay.
- the frequency with which you choose to pay your premium.

The premium also includes compulsory government charges including Stamp Duty, GST, Emergency Services Levy and any Fire Service Levy (where applicable).

When you pay your premium at least twice a year or more, your premium may be increased by an amount to cover certain costs associated with installment payments.

You may contact us in writing or by phone on 133 723 to confirm any transactions under your insurance if you do not already have the required insurance confirmation details.

Optional benefits - extra cover you can purchase

All optional covers if selected and accepted by us will be shown on your policy schedule. These covers are only available to comprehensive policyholders and will result in an additional premium payable.

If the person calling is not a listed insured person, we must obtain written authority from the listed insured before lodging a claim.</p> |

What you or an insured person must do

| | |
|---|---|
| ✓ | Complete a claim form, if we require it. |
| ✓ | Return the completed claim form promptly together with all letters, documents, valuations, receipts or proof of ownership that you have been asked to provide, otherwise we cannot process the claim. |

What you or an insured person must NOT do

| | |
|---|---|
| X | Admit guilt or fault (except in court or to the Police) |
| X | Offer or negotiate to pay a claim |
| X | Admit liability |
| X | Dispose of any damaged items without first seeking our approval |
| X | Authorise repairs. Except for essential temporary repairs, see standard policy benefits on page 9, you are not authorised to commence repairs without our approval. |
| X | Delay contacting us whenever possible to notify us of an incident which could lead to a claim on this policy. You may have to contribute towards your claim if your late notification results in higher costs for us or harms our investigation opportunities |

What you or an insured person must NOT do

X

Provide us with false or misleading information. We may deny part or all of your claim if you or an insured person are not truthful and frank in any statement made in connection with a claim or if a claim is fraudulent or false in any respect. We will report any suspected fraudulent act to the Police for further investigation.

Where more than one person is insured

If more than one person is insured under the policy, we will treat a statement, act, omission or a claim by an insured person as having been made by all of them.

How a claim affects your sum insured

If we pay a claim:

- on a total loss basis, your policy with us ends (see How your policy may be cancelled page 44)
- for the cost of repairs to your vehicle, your sum insured remains the same as it was before the claim.

For example, if your sum insured is \$20,000 and we pay a claim for \$3,000, your sum insured remains at \$20,000.

Important note: Following a claim on a specified item such as a CD player you should make sure that the replacement item is added to your schedule.

What happens when your vehicle is a total loss

At QBE, where we decide your vehicle is a total loss, and we agree to pay your claim, your policy comes to an end, and:

- we will pay you the sum insured taking into account your vehicle's condition at the time of the incident, or

replace your vehicle provided:

- you are the original owner and have insured your vehicle with us from new, and
- your vehicle is less than two years old and has been driven less than 20,000kms, and
- your vehicle was originally insured for the purchase price,

if a similar make and model is available.

If you have paid your policy in full there is no refund of premium as we have fulfilled our contract to you.

If you pay your policy in instalments we will deduct any unpaid instalment amount up until your policy renewal date from the total sum insured.

If we have replaced your vehicle or paid your sum insured, your vehicle becomes our property. If you choose to keep your vehicle in its damaged condition then the salvage value will be deducted from your sum insured. If we are replacing your vehicle you will need to pay us the salvage value first.

We will receive any vehicle registration refund, in states where we are entitled to do so. You will provide us with a signed written authority to enable us to recover this refund.

If you purchase another vehicle, a new insurance policy is required.

How claims administration and legal proceedings are undertaken

When a claim is lodged under this QBE policy, we have the right at our discretion to exercise all the legal rights of an insured person relating to the incident and to do so in their name.

We will take full control of the administration, conduct or settlement of the claim including any recovery or defence that we may consider necessary.

We will also report any suspected fraudulent act to the Police for further investigation.

Repair information

Choice of repairer

If you lodge a claim and we agree to repair your vehicle we can refer you to a QBE accredited repairer or you may nominate a repairer of your choice.

You must not authorise the repair of your vehicle without our written authority.

Where we recommend our accredited repairer

We will:

- provide you with the names of two repairers for you to obtain quotes from
- need to inspect your vehicle prior to authorising repairs and
- pay the cost of repairs directly to the repairer we authorise.

Where a QBE assessment centre is available to you we will advise of this process.

Where you nominate a repairer

You must:

- obtain a quote from a repairer of your choice who is appropriately licensed, however if you do we may require you to obtain a second quote from a repairer of our choice, and
 - allow us to assess your vehicle prior to authorising repairs.
-

We will:

- pay the reasonable costs, as determined by us, to have your vehicle repaired, directly to the repairer we have authorised to carry out the repairs.

In determining reasonable costs we consider a number of factors including:

- the advice of an experienced motor vehicle assessor that we appoint,
- a quote from another repairer of our choice, and
- any adjustment allowing for method of repair.

In the event that repairs are carried out without our authority we will not provide our lifetime guarantee (see page 9) on repairs and where permitted by law will pay only what we determine to be the reasonable cost of repairs.

Replacement of damaged parts

Within Manufacturers Standard New Car Warranty period

If your vehicle is covered under the Manufacturers Standard New Car Warranty (not including an extended warranty period) we will only use manufacturers approved parts in repairing your vehicle. In the event that the part is a windscreen or a body glass then Australian Design Rule compliant parts may be used.

Outside Manufacturers Standard New Car Warranty

We may use new, recycled or reconditioned parts when repairing vehicles which are no longer covered under the Manufacturers Standard New Car Warranty. Where the use of recycled or reconditioned parts is requested we will only use the parts if they are equal to or exceed the quality of the part being replaced.

You may have to contribute towards the cost of repairs

We are entitled to require you to contribute towards the cost of repairs where the condition or appearance of your vehicle improves as a result of replacing old parts with new parts or repainting more than the damaged area.

Contribution

Where the incident insured by this policy is also insured elsewhere and we have paid more than our reasonable share of your claim, we may exercise our right to seek contribution from the other insurer or insurers.

If parts and accessories are not available

Where parts and accessories are not available locally we will only pay:

- the cost of parts and accessories of an equivalent make and model of motor vehicle listed in the latest suppliers list within the State or Territory in which repairs are being carried out, and
 - surface freight costs of getting parts to the repairer.
-

We will not pay the extra cost of specially made parts for your vehicle when the parts or accessories required for repair are not readily available.

Excess. The amount you pay towards a claim

An excess is the amount which you may have to pay each time you make a claim. Each excess is printed on the schedule. If following an incident more than one excess applies, you will have to pay the total of all the excesses that apply to you. If we determine your claim comprises of more than one incident, you will have to pay the applicable excesses for each incident.

You may have to pay:

| | |
|-----------------------------|--|
| A standard vehicle excess | This is the first amount you have to pay, all vehicles carry a standard excess. |
| An age excess | <p>If the driver at the time of the incident is within the specified age group shown on your schedule.</p> <p>This excess does not apply when:</p> <ul style="list-style-type: none"> • the only damage to your vehicle is to the windscreen or window glass, or • the incident is a result of fire, explosion, lightning, flood, theft or where your vehicle is damaged while parked. |
| An undeclared driver excess | <p>This applies when the schedule has named drivers listed and your vehicle is being driven by a person who is not named on the schedule as a driver.</p> <p>It is your responsibility to notify us of drivers of your vehicle because your premium or excess could be affected.</p> |
| An imposed excess | <p>This is an excess we may require under your policy. We would not have accepted you or your vehicle for insurance without this excess.</p> <p>If an imposed excess has been applied it will be shown on the schedule.</p> |
| A named driver excess | <p>This applies when one of the drivers listed on the schedule has this excess showing against their name and your vehicle is being driven by that person at the time of the incident.</p> <p>We would not have insured this driver without this excess.</p> |

You may have to pay:

A voluntary excess

This is an excess that you have elected to have to reduce your premium. A voluntary excess is paid in addition to your standard excess and any other applicable excesses.

If your vehicle is damaged in a collision with another vehicle, you will not have to pay any excess if all of the following apply:

- We agree that the other driver involved in the collision was totally at fault,
- You can give us the name and address of the other driver and the registration number of the other vehicle, and
- The other driver is not a family member.

No Claim Bonus discount

Your No Claim Bonus is a premium discount awarded for not making at fault claims. A No Claim Bonus discount increases each year that you remain claim free until you reach our maximum discount. Based on the claims lodged during the period of insurance, your Policy's No Claim Bonus will be adjusted when you renew your Policy and this can either:

- increase (up to our maximum No Claim Bonus)
- decrease, or
- remain the same.

If your vehicle is involved in an incident, your No Claim Bonus will not be affected if:

- we decide the incident was not your fault, and you provide us with the name, current residential address and vehicle registration of the person who caused the event.

If you make a claim and we decide that you are at fault, your No Claim Bonus will be affected and may be reduced when you renew your Policy.

Please refer to page 21 to page 22 for how to protect your No Claim Bonus.

Important information

Your Duty Of Disclosure

New Business

What you must tell us

When answering our questions, you must be honest and you have a duty under the law to tell us anything known to you, and which a reasonable person in the circumstances would include in answer to the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under this insurance and on what terms.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else who is an insured under this insurance.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel your insurance. If you answer our questions fraudulently, we may refuse to pay a claim and treat the insurance as never having worked.

Renewals, variations, extensions and reinstatements

Once your insurance is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your insurance, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under this insurance, and if so, on what terms.

You do not have to tell us about any matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or should know or, in the ordinary course of our business, we ought to know;
- as to which compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the insurance in respect of a claim or may cancel the insurance.

If your non-disclosure is fraudulent, we may also have the option of avoiding the insurance from its beginning.

You need to disclose all drivers

You are asked at the time you take out this insurance to give us full and correct details of all drivers who are likely to use your vehicle once a month or more, including:

- driving or riding related traffic offence, conviction or any loss of drivers licence;
- renewal or insurance policy declined, cancelled, refused, or where any excess was imposed;
- claim refused by an insurer;
- claim made;
- motor vehicle or motor cycle accident, theft or fire; and
- criminal conviction or found guilty of an offence.

Any of these situations may affect the premium and extent of insurance cover provided. Providing this information may result in:

- an additional premium;
- the imposition of back-dated restrictions including declining your insurance back to when this information should have been provided;
- a particular driver being declined insurance cover;
- a claim being refused.

When renewing your QBE policy with us you must also advise us of any changes to the driving, claims, insurance or criminal history of all drivers. We will notify you in writing of the effect such changes may have on your renewal.

Changes to the information you have given us

It is important to advise us of any change to the information you have given us, otherwise your QBE insurance may be affected. Changes would include:

- a change to the ownership of your vehicle;
- a change of address;
- a change to the vehicle you wish to be insured by this policy
- a new regular driver of your vehicle;
- a modification to your vehicle;
- a change in the use of your vehicle;
- the addition of a non-standard accessory.

If you wish to insure any fitted non-standard accessory or modification, each one must be advised to us for our acceptance, which we will confirm by issuing an alteration advice.

Please note that we may require you to pay an additional premium as a result of any of these changes.

If you move and do not tell us

You must notify us when you change your place of residence. This insurance and the premium payable is based on the address you have provided at which your vehicle is garaged or stored. You may have to pay an additional premium or be entitled to a refund as a result of a change of address.

Overdue premium

Paying your premium on time is important because it affects your insurance. If you have not paid by the due date or your payment is dishonoured we may cancel the policy, providing you with written notice. If you pay your premium by instalments and any instalment remains unpaid for 1 month or more we may refuse to pay a claim

Instalment payments

Paying your instalment premium

If you are paying your premium by instalments we will specify on your schedule when we will deduct the first instalment. Thereafter, instalment payments will be debited on the date or frequency you have nominated.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if these details change no later than 7 days before your next instalment is due.

We will not pay a claim under this Policy if, at the time the claim occurred, any premium instalment has remained unpaid for one month or more.

If any instalment of premium has remained unpaid for one month, we may cancel this Policy. However, we will send you a notice confirming the action we intend to take and when any cancellation will become effective.

The General Insurance Code of Practice

QBE Insurance (Australia) Limited is a signatory to the General Insurance Code of Practice. The Code aims to:

- promote more informed relations between insurers and their customers
 - improve consumer confidence in the general insurance industry
 - provide better mechanisms for the resolution of complaints and disputes between insurers and their customers, and
 - commit insurers and the professionals they rely upon to higher standards of customer service.
-

How GST affects any payments we make

The premium payable for this policy is subject to GST. When we pay a claim, your GST status will determine the amount we pay.

When you are:

- not registered for GST, the amount we pay is the sum insured/limit of liability or the other limits of insurance cover including GST
- registered for GST, we will pay the sum insured/limit of liability or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number and Taxable Percentage. Your Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

If you don't tell us your correct GST status, any GST liability is your responsibility.

Where the settlement of your claim is less than the sum insured/limit of liability or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

If, after we have assessed your claim, you are required to enter into a contract with a third party to replace or reinstate lost or damaged items that we have agreed to pay under this Policy, you will enter into that agreement with the third party as our agent unless advised otherwise.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

21 day cooling off period

If you want to return your insurance after your decision to buy it, you may cancel it and receive a full refund. To do this we must receive your request either in writing or via email (enquiries@qbe.com) within 21 days of its commencement.

This cooling off right does not apply if you have made or are entitled to make a claim. Even after the cooling off period ends, you still have cancellation rights. However, we may deduct certain amounts from any refund (See How your policy may be cancelled – Refund of premium).

Updating Our Product Disclosure Statement

We may update the information contained in this PDS when necessary. A paper copy of any updated information is available to you at no cost by calling us. We will issue you with a new PDS or a supplementary PDS, where the update is to rectify a misleading or deceptive statement or an omission, which is materially adverse from the point of view of a reasonable person deciding whether to obtain or renew this insurance.

How your policy may be cancelled

Cancellation by you

You may cancel this policy at any time by giving us notice in writing.

Cancellation by us during the period of insurance

We may cancel this policy on any of the grounds set out in the Insurance Contracts Act 1984 and we will always put this in writing to you.

When your vehicle is a total loss

Where we have paid a claim on a total loss basis your policy with us is deemed to have been fulfilled and:

- there is no refund of any premium, or
- if you have been paying your premium by instalments we will deduct any unpaid instalment amount up to your policy renewal date from the total sum insured.

Cancellation by us on expiry of this policy

We may cancel this policy at the end of the period of insurance. If this is about to happen we will tell you in writing within the terms set out in the Insurance Contracts Act 1984.

Refund of premium

On cancellation, a refund of the premium will be calculated equal to the unexpired period of this policy less an administration fee and any non-refundable government charges.
